SKEPTA

HIPHOP STAGE

SATERDAY

As a multi-faceted, quadruple threat artist, Skepta embodies a scene's ability to shift on its own terms. The Tottenham-raised Londoner — a product of the area's Meridian Estate after a move from east as a toddler — operated behind the scenes in grime's early days with Meridian Crew in the early 2000s as a DJ and producer.

Spitting on hip-hop beats before he ever entered the booth in grime circles, Skepta unleashed his rapid flow in the mid 2000s. After his Boy Better Know collective emerged in 2005, Skepta's 2006 classic *Duppy* was a crossover moment, as grime made its steps into the mainstream.

Even for an artist with veteran status, 2014 was a breakthrough year. The self-produced *That's Not Me* alongside JME embraced his legacy and beginnings in a track accompanied by an award-winning, appropriately micro budget video that homages the street DVD era.

A decade into his MC career, Skepta is bringing his worldview to a global audience in undiluted form. His fourth album *Konnichawa* is the best-selling grime album of all time and the sum total and evolution of everything so far.

Don't miss his headlining set on the Big Steez HIPHOP stage.

STAYING SAFE

The single most important thing to everyone involved in Big Steez is that you are able to have the most positive experience you possibly can in a safe and caring environment. We work very closely with all licensing authorities and the Metropolitan Police to ensure this is the case. Unfortunately, like any large-scale event, a very small minority of people may wish to spoil that, therefore these words of advice are provided to help ensure you have a safe and enjoyable experience.

- We advise against bringing valuables to the event, however if you choose to do so, please avoid displaying these unnecessarily, for example using your phone to photograph or record the bands, or wearing expensive jewellery.
- Don't keep cash, cards and valuables in one place. Spread them out on in your pockets and clothing, using pockets secured by zips or buttons or in pockets inside jackets where possible. Please be aware that in a crowded environment, thieves will try to unbutton/unzip pockets and bags.
- Be aware of the behaviour around you. Please report anything suspicious to a security guard or police officer.
- Identify a meeting point for you and your friends in case someone gets lost so you can safely find each other.
- As soon as you realise that any of your property is missing, please inform the festival immediately. Do not wait until you get home. A lost property area is located near the main entrance, so please inform them ASAP.
- If your phone is lost or stolen, contact your network provider as soon as possible and ask for your SIM card and handset to be blocked immediately.
- Should you lose or have your phone stolen, contact your network provider to ask for the SIM card and handset to be blocked. Register your mobile phone IMEI number and the serial numbers of other valuables for free on www.immobilise.com or similar property registration sites.
- Activate the PIN feature on your phone, so it can only be used when you enter this code.
- Back up all your contacts and data before you leave home.
- When using a credit or debit card shield the keypad to protect your PIN.

DISABILITY

ALTERNATIVE FORMATS FOR INFORMATION

All forms and information are available in large print upon request. Please visit the Bookable Access Facilities page for more information.

ACCESS AROUND THE SITE

Big Steez is on a green-field site with some tarmac paths. While there are some sheltered areas (marquees) it is mainly an open-air event. Weather and ground conditions may be variable and in times of extreme weather, mobility on the site may become very difficult. We ask you to consider this before purchasing a ticket.

TOILETS

We provide at least one accessible toilet at each main toilet block in the arena, one at each of viewing platforms and one at the Welfare tent. These will be 'festival style' portable units, some of which will be locked with Radar locks.

INDUCTION LOOP

There is an induction loop at the main Accessibility check-in point (the location of this will be made clear in the access info).

STROBES

Please note that strobe effects may be used at the event. There will be no specific announcements prior to the use of strobes and lasers. Strobe flicker rates will be at or below 4 flashes per second.

MEDICAL SERVICES

Our on-site medical services provide comprehensive medical advice and treatment facilities and are flexible in meeting specific needs.

GET INVOLVED

Volunteer with Red Cross for free entry and more.

Give your time, choose your cause.

Apply today to volunteer at Big Steez 2018. Simply give a few hours of your time at the event and in return Red Cross will make a donation to any charity of your choice.

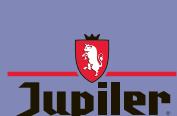

The role: You will be part of the Welcome Team – welcoming people to the festival, helping people find their way and getting everyone in the festival mood. You will get training and support from an experienced team on site.

Shift length: 1 x 8 hours including a break
Lunch, tea and coffee and love provided.

All shifts finish no later than 6pm so you'll be guaranteed to enjoy all the headliners. Free entry to the event is on the day you volunteer only.

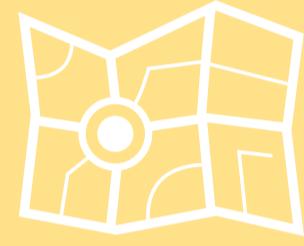

Apply now to be part of the crew in 2018.
